They have not been picked up and he was wanted to report it to the Property Owners Alliance, to see if they would be able to help.

## ANDREWS INTL / HBID INCIDENT REPORT/LOG

The trash bins in the back alley of the 6700 Block are designated to numerous businesses, including the "Le Oriental Bistro" (Chinese Restaurant) that is one of the businesses that has direct access to the trash bins. Walking through the alley you can smell the rotten stench of accumulated trash (2-3 weeks). Rocky (Security) reported that there have been some businesses doing construction in the 6700 block and have been dumping the debris in the bins. He stated that, because of the extra debris/trash, the trash company has not been emptying the bins. It is causing a health risk for the surrounding businesses, because of the "new" trash being left on the ground around the bins. They have a total of 3 bins that are full.
